Your Excellency,

RE: DEFERMENT OF DSA 2020 & NATSEC ASIA 2020

Warmest greetings from DSA Exhibition & Conference!

It is with deep regret and a heavy heart that we announce the deferment of Defence Services Asia (DSA) 2020 and NATSEC Asia 2020.

After these showcases were initially postponed from April to August this year due to the COVID-19 outbreak, the situation took a turn for the worse, escalating into a global pandemic affecting most countries around the world.

Following a meeting with various stakeholders, including the Malaysian Ministry of Defence, Ministry of Home Affairs and the Malaysian Armed Forces, it was unanimously agreed that the health and wellbeing of everyone involved was a matter of paramount importance which cannot be compromised.

Though many alternative dates were studied, it was agreed after exhaustive consideration that it was in the best interest of all parties involved, that these shows be deferred to **28 – 31 March 2022**.

We will, however, continue to work closely with the Malaysian Ministry of Defence, Ministry of Home Affairs and the Malaysian Armed Forces, to ensure that the DSA and NATSEC Asia series return better than ever, with a conducive and productive business environment for our stakeholders, delegations, exhibitors and visitors.

Should you have any queries or concerns moving forward, please do not hesitate to contact us at enquiry@dsaexhibition.com.

We would like to thank all our valued stakeholders, VIPs, exhibitors, visitors, associates and media for their continued support and participation over the years.

Our special thanks, too, to all Malaysian ambassadors/high commissioners, defence advisers/attaches abroad, as well as to the foreign ambassadors/high commissioners, defence advisers/attaches here in Malaysia, for their help in disseminating letters and information to all concerned.

Our thoughts and prayers are with all the frontliners battling COVID-19 and those who have been affected, and their families.

God be with you.

Sincerely,

TAN SRI ASMAT KAMALUDIN
